

Ndive Animation

You imagine it,
We create it

About us

Ndivo animation is a company based in Nairobi, Kenya that offers a broad range of animation services.

We believe that our services can not only increase your brand awareness in the industry, but also increase your sales significantly.

Moreover, we strive to be the best in our field of expertise. Product ideas can be complex, unfamiliar and very difficult to explain.

Therefore, we excel at absorbing complex messages and creating animated videos that enable your audience to understand a firm's products, services, mission, vision in a simpler and engaging way.

How its done?

Discovery

we explore your objective to generate message and appropriate strategy to help market your brand.

Concept

we generate various ideas that suit your video / image and pick the perfect one.

Script

we customize your needs to a story that can capture the hearts and minds on audience.

Storyboard / animatic

we create a visual language to bring your story to life shot by shot by matching voice to images/ video.

Animation

using various computer software, we bring the characters and other elements to life.

Sound Design

we add sound effects and music to help drive the story.

Final Product

the video is now ready in any format you want.
